

Call for Canadian Documentary Shorts

Deadline: Friday May 15, 2009

The Winnipeg Film Group, in partnership with DOC Winnipeg and the National Indigenous Media Arts Coalition, seeks new Canadian documentary shorts for ***Gimme Some Truth: The Winnipeg Documentary Project***, which will be held Oct 22 – 25 in 2009.

Gimme Some Truth is a unique four-day forum focused on connecting audiences deeply with the documentary form – through screenings, filmmaker talks, panel discussions and outreach projects. Information on our historical programming is available at www.gimmesometruth.ca.

We are especially interested in documentaries that touch on our 2009 curatorial themes: Earth as Muse, Resistance and Landscape/Cityscape. We will consider works that are intended to be viewed in a traditional cinema setting as well as works that can be experienced in multiple different and / or extended presentation platforms. Preference will be given to Manitoba premieres. Works completed on or after January 1, 2008 can be considered.
